JUNE 5-8 JUNE 12-15 JUNE 19-22 JUNE 26-29 JULY 10-13 JULY 17-20 JULY 24-27

Greetings!

We are so excited to spend the summer with your young artist. In the Foosaner Education Center's summer program, kids learn to create, explore, and design in their own unique ways, experimenting with a variety of art materials and methods that encourage the development of the whole brain.

This summer at the Renee Foosaner Education Center, we will **Explore** art making in brand new creative ways, **discover** the world by looking and imagining, and **wonder** about the possible and impossible! We will go on creative **voyages, quests**, and **treks** of our own designs and **dive** deep beneath the surface of everyday life to find inspiration in the extraordinary! All you need to bring is a sense of adventure, and together we'll go on ArtVentures!

In the attached sheets, you will find detailed information about procedures and policies for this year's camp.

Please be mindful to return all necessary documents and forms in a timely manner.

Thank you,

Renee Foosaner Education Center
